Mr. A. Dumbauld,
State Examiner,
Yuma, Arizona.

Dear Sir:

I have your letter of the 16th inst. requesting my interpretation of Section 3364, Revised Code of 1928.

It is my opinion that "district purposes", as used in this section, means taxes levied for the purpose of maintaining and operating the district, and does not include levy for interest and bond redemption.

Very truly yours,

Attorney General
